

DALLAS SAFARI CLUB

13th ANNUAL

HUNTERS FOR THE HUNGRY

The Dallas Safari Club is proud to announce funding for its "2008-09 Dallas Safari Club Hunters for the Hungry" program. Each year during Whitetail season, Dallas Safari Club encourages deer hunters to donate all or a portion of their harvested deer to this worthwhile cause, and we pay the processing fees. This regional program coordinates and provides for the necessary processing fees for donated deer at participating processing facilities located in North and West Central Texas.

In co-operation with the Texas Hunters for the Hungry, the Texas Parks & Wildlife Department, and the End Hunger Network, including Christian Community Action of Lewisville, Dallas Safari Club will actively promote worthwhile conservation of our surplus natural resources, while benefiting both the hunter and the hungry, by providing a natural source of nutritious, low-fat meat to the needy of North Texas.

Dallas Safari Club will pay for the processing of donated deer at these participating locations:

- ◆ **Big Buck City Market**
Duane Sulak
814 North Avenue G
Clifton, TX 76634
