UNAUTHORIZED - NON-EXHIBITOR SALES ARE PROHIBITED

Periodically, we learn after the close of our convention that you may have observed a non-exhibitor (briefcase) sales being conducted in our expo hall. **DSC does not allow these non-exhibitors to compete with you, our valued exhibitors.**

If you see this occurring during the convention, please contact one of our floor managers or advise someone at the front registration exhibitor windows in Lobby D. This will allow us to stop them from continuing their presentations. (Our Floor Managers will be circulating the halls wearing a yellow vest with "DSC Floor Manager" on the back of their vest. Please contact them for their assistance.)

We appreciate your support and do not want these unauthorized activities to continue. Please let us know so we can make the show the best it can be for you.

Video Ethics Guidelines

Dallas Safari Club has a video ethics policy to ensure that hunting is portrayed in the positive, ethical light it deserves. **Please review the video policy and note that you may be required to not play or sell videos that do not comply with this policy.** Thank you.

Ethics

- Portray the image of ethical hunting.
- No excessive shots. A prompt insurance shot on dangerous game is fine.
- Show only a good clean kill.
- No goading game to charge or escape.
- No prolonged death scenes or excessive blood or suffering.
- Where dogs are used for tracking, show proper hound control.

Image

- Your demeanor and dress should be one of respect for the game and the sport.
- Show utmost respect for quarry.
- Portray proper and respectful handling of animal and trophy after kill. **Do not stand on or straddle game.**
- No alcohol.
- Respect private property.
- No profane language or excessive celebration of a kill.
- No hero shots (bare chest, etc.)

Safety

- Stress and demonstrate the Ten Commandments of gun and bow safety.
- Unload firearms when preparing for photographs, when entering and exiting vehicles, when climbing fences or trees or into blinds.
- Ensure safe background/stop zone for bullet behind animal. One does not often realize what the scene in the viewfinder of a camera portrays.

Laws and Regulations

- Abide by the rules of fair chase.
- Obey the game laws and conservation rules of the state, province or country where you are hunting.

Remember, videos may be the only exposure non-hunters have of hunters.

A poor or unethical video can make an anti-hunter out of a non-hunter.
