2019 FIREARM TRANSFER GUIDELINES

Please be aware that **TIM MCCREARY**, DSC Life Member, is the official Federal Firearms License (FFL) holder for the 2019 Dallas Safari Club Convention and will facilitate the transfer of all firearms to DSC auction/raffle winners.

Federal law prevents the transfer of firearms where alcohol is sold and consumed, therefore auction/raffle winners cannot take possession of their firearm while on premises at the DSC Convention. There are NO exceptions.

To obtain your firearm, please note the following:

- 1) Winners must complete background check paperwork before taking possession of their firearm.
- 2) Local winners with a current driver's license can obtain their firearm by contacting TIM MCCREARY on or after Monday, January 21, 2019.
- 3) Out-of-state winners can arrange to ship their firearm to a local dealer of choice. Please ask your dealer to provide a copy of their FFL, winner's name and firearm make/model.
- 4) Please direct all correspondence and/or questions to:
