

HOW-TO: DSC ONLINE AUCTIONS

REGISTERING FOR AUCTIONS

There are three different ways to register: text, fill out the form or sign in with Facebook or Google.

The screenshot shows the 'Create New Account' page for the Dallas Safari Club (DSC). The page features a navigation bar with links for Home, Auctions, Search Items, Your Account, and Help, along with 'Sign In' and 'Create Account' options. The main content area is titled 'Create New Account' and includes a dark grey box with instructions: 'Step 1: Fill out and submit the form below or sign in with either your Facebook or Google Account. Step 2: Check your email inbox (or spam) for the confirmation email. Click the link in that email. Then you're ready to bid.' Below this are input fields for First Name, Last Name, Username, Password, Re-Enter Password, Email, and Re-Enter Email. There are also 'Sign in with Facebook' and 'Sign in with Google' buttons. A sidebar on the right contains a 'Create New Account' section with the text 'It's simple, quick, and free!', 'You don't need to enter much information to create an account!', and 'We won't give away your details to third parties, and we won't send you unsolicited emails.' Below this is a 'User Benefits' section with a list of features: 'Get approved to bid in auctions', 'Bid online (pre-bids & live bidding)', 'Save your searches', 'Setup smart watch notifications', 'Bookmark items', 'Track your bids & items', and 'and more...'. At the bottom of the sidebar is a 'Do You Already Have An Account?' section with a link 'Sign in with your account...'. The main form area includes a checkbox for 'Yes, keep me updated by email!' with sub-options: 'Remind me the day before each auction I've been approved to bid in.', 'Inform me about auctions that match my past auction participation.', and 'Let me know about new auctions via the weekly newsletter.' Below this is a section for terms and conditions: 'By clicking "Create Account" I agree that:' followed by three bullet points: 'I have read and accepted the User Agreement and Privacy Policy.', 'I will receive email with instructions to activate my account.', and 'I may receive email in response to actions I perform (eg: if you win an item).' A blue 'Create Account' button is at the bottom of the form.
