The 2025 DSC Convention Rifle

Included in the Saturday Night Auction

Commissioned exclusively for DSC's 2025 Convention & Sporting Expo, this one-of-a-kind Side-by-Side double rifle is chambered in the venerable 450-400 NE and represents the pinnacle of the gunmaker's craft. Made entirely in-house by HEYM in Germany, it is the third in a series of the finest rifles ever auctioned by DSC and embodies almost 160 years of HEYM's gun-making experience.

Hi 😊! I'm Scout, the A.I. Chatbot for 2025 DSC Convention & Sporting Expo.

Sponsored by Glacier Guides Booth #3652

I can provide the location, agenda, and more to help you have a great event experience!

Auction Quick Facts

WHERE AND WHEN (AS OF PRESS TIME)

- Wednesday night live auction will be held virtually on January 8th at 7:00 pm. To bid, browse and view, visit <https://bidding.biggame.org/auctionlist.aspx>. Onsite attendance is available by invitation only.
- Thursday, Friday and Saturday night live auctions will be held January 9-11 in the Triumph Ballroom, Level 2 of the Signia by Hilton Hotel in Atlanta, Georgia. The auctions will be preceded by cocktails at 5:30 pm, a speaker program and banquet dinner.
- Ladies' Luncheon live auction will be held Friday, January 10th in the International Ballroom, North Tower - M2 of the Omni Atlanta Hotel at Centennial Park. Registration opens at 10:30 am in the Foyer. The auction will be preceded by a champagne reception, silent auction, speaker program, attendee drawings, door prizes and a banquet lunch. Raffle drawings and live entertainment will commence prior to the event closing at 3:00 pm.
- Conservation Champions Breakfast (CCB) live auction will be held Saturday, January 11th in the International Ballroom, North Tower - M2 of the Omni Atlanta Hotel at Centennial Park. Registration opens at 7:00 am. The auction will be preceded by an open bar, silent auction, door prizes, speaker program and buffet breakfast.
- Expo silent auction will be held during convention hours in the GWCC (Georgia World Congress Center). Bidder registration is required and available onsite or online at www.biggame.org/auctions. The Silent Auction will close in sections - please refer to the silent auction section of this catalog for more details.

REMOTE / MOBILE BIDDING

Bidders who are unable to attend live and silent auctions are encouraged to bid remotely. All auctions open for early online registration and bidding mid-November. For more information, visit www.biggame.org/auctions. For personal assistance, contact Lori Stanford at lori@biggame.org or Christie Selle at christie@biggame.org.

PURPOSE OF THE AUCTIONS

Dallas Safari Club's (DSC) mission is to ensure the conservation of wildlife through public engagement, education and advocacy for well-regulated hunting and sustainable use. The DSC Convention is an opportunity for sportsmen and sportswomen to come together, renew old friendships and form new ones. DSC works very hard to attract outstanding hunting and fishing packages from reputable vendors and outfitters who have graciously donated in support of the organization's efforts and mission. DSC encourages you to place your bids with confidence and in the spirit of providing the funds necessary to fulfill the organization's mission and reinforce our hunting heritage, while also obtaining goods and services for your enjoyment.

DSC 'High Buyer' Prizes for 2025

In addition to the 'TOP SPENDER' prize awarded to the overall live auction spender for the 2025 convention Saturday night (see opposite page), DSC is pleased to acknowledge the 'HIGH BUYERS' of each live auction for Thursday night, Friday night, Ladies Luncheon and Conservation Champions Breakfast. The 'HIGH BUYER' (or person with the highest cumulative winning bids, either online or onsite) will be recognized at each auction close and awarded a very special prize as detailed below.

THURSDAY NIGHT

Weatherby Orion SXS 28 GA Shotgun

With classical styling from the straight English stock and splinter forend to the double triggers housed in the long tang trigger guard, the Orion SxS 28 gauge shotgun is a trusted companion for birds and clays.

Valued at \$1,100

FRIDAY NIGHT

Weatherby Model 307™ Adventure SD Bolt Action Rifle in 7mm PRC

The Adventure SD is built on Weatherby's newest bolt action rifle platform, the Model 307. Rifle features a fancy walnut stock with rosewood forend and grip cap with maple diamond inlay and spacers, giving this rifle the perfect blend of old-school look with a new-age Weatherby action.

Valued at \$1,800

Valued at \$3,000

DSC 'Top Spender' Prizes for 2025

Introducing THE 'TOP BUCK'

Since 2009, Convention bidders have been awarded a specially designed pin each time they spent \$10,000 during live auctions. These exclusive pins were only presented to qualified bidders only and were not available for purchase. Top Spenders were recognized during each live auction with the OVERALL Top Spender being awarded a very special prize at the close of the Saturday night auction.

In keeping with this fine tradition, DSC is pleased to introduce the 'TOP BUCK' spender prize for 2025. Designed and underwritten by GUNDERSON'S JEWELERS (Booth #2729), this limited quantity collector's pin will only be available during the 2025 Convention. MG ARMS, INC, LEICA SPORT OPTICS and HORNADY MFG adds to this special acknowledgement by generously donating the following package (valued at \$8,500) to be awarded to the overall 'TOP BUCK' Spender for 2025!

MG ARMS, INC: Designed to meet the challenges of any hunting situation, the "Ultra-Light" possesses all the qualities and features a custom rifle should have - lightweight & exceptional accuracy (guaranteed) and durability for the toughest conditions. This rifle is chambered in 7mm Remington Magnum and features a customized action stainless steel barrel and tuned trigger finished in Flat Dark Earth Cerakote with Dark Forest camo stock pattern. Experience and enjoy a truly custom rifle that is easy to carry and comfortable to shoot with accuracy exceeding all expectations. **LEICA SPORT OPTICS:** AMPLUS 63-18x44i riflescope. Scope features a simple, uncluttered reticle design, 2nd focal plane reticle placement, 10-level center red aiming dot, large 30mm main tube, 1/4 MOA / click impact point correction, 130 MOA elevation, 95 MOA windage, capped low-profile turrets and anodized 6061 aluminum housing. **HORNADY MFG:** Ready Vault Safe with Wi-Fi offers fast, dependable and touch-free entry. Safe features patented RFID[2] technology that unlocks faster than keypads and biometrics, 4x RFID tags that can be selectively programmed to open any RAPID safe you own, a discreet display panel with tempered glass that elegantly contains the RFID reader, clock display and access code, spring-assist drawer that quietly slides open to reveal a padded interior and 2x USB-A ports that provide convenient charging for cell phones and other devices. Safe accommodates most full-sized handguns and/or valuables. Interior dimensions: 51.8"Hx19"Wx12.7"D. Exterior dimensions: 52.2"Hx20"Wx15.1"D. Safe will be on display at donor's booth and includes complimentary shipping to the lower 48 states. **DALLAS SAFARI CLUB THANKS MG ARMS., LEICA SPORT OPTICS AND HORNADY MFG FOR THIS 100% TOP SPENDER DONATION.**

WED-6 WILLIAM HENRY, LLC

William Henry Legacy Mammoth Bluetooth Watch #13

William Henry is a studio that tells stories through their timeless pieces and this watch design is a testament to that intention. The Legacy Collection is a perfect blend of form and function built around the extraordinary materials that have defined us through time. This limited-edition model features a dial crafted from a fossil mammoth tooth, a relic from the giant that roamed the Earth 10,000 years ago. Occasionally discovered on the sea floor or riverbeds, each tooth or remnant must dry about two years before work can be started. Vacuum stabilized with resin, the finished dial reveals unique patterns and colors that have been waiting 10,000 years to become a timeless story on your wrist. The dial is housed in a forged Damascus case, built with 300 layers of stainless-steel alloys and etched to reveal a swirling tapestry in metal. The case is finished with a sapphire crystal and exhibition back revealing the Swiss automatic movement with a 38-hour power reserve. Water resistance is rated to 10 ATM/100 meters. The hand-crafted buffalo leather strap features a custom stainless steel deployant clasp for easy wear and adjustment. **DALLAS SAFARI CLUB THANKS WILLIAM HENRY, LLC FOR THIS**

WED-20 EUROOPTIC LTD

Pulsar Merger LRF XP50 Thermal Binoculars

Pulsar's Merger LRF XP50 Thermal Binoculars combines the classic design of daytime binoculars with advanced thermal imaging technology. The core of the Merger LRF XP50 is a high-sensitivity 640x480 sensor with <25mK NETD, capable of detecting the smallest differences in temperature even in environments where thermal contrast is poor such as in fog, rain, and other adverse weather. The sensor's thermal capabilities are enhanced even further thanks to a F50/1.0 germanium fast aperture lens. The combination of a high-powered sensor and advanced lens allows the Merger LRF XP50 to detect heat signatures up to 1800 meters away, and projects them onto a high-definition AMOLED display for positive target identification. Heat signatures are viewable in 8 different color palettes, allowing the user to select the best option for the given situation. An integrated precision laser rangefinder provides accurate measurements over 1000 yards away, and continuous scanning modes with tremendous accuracy provide quick and error-free target distance assessment. The Merger also comes standard with built-in video and photo recording capabilities and 16 GB of free space. The Merger's improved Wi-Fi connectivity with 2.4/5 GHZ waveband support yields seamless connection to the Stream Vision 2 app, available for both Android and iOS devices. **DALLAS SAFARI CLUB THANKS EUROOPTIC FOR THIS 100% DONATION.** Seth Roy or Jeffery Brooks, 570-368-3920, 635 N. THU-25 SAFARI UNLIMITED

8-Day/8-Night Whitetail Deer and Pheasant Hunt for Two Hunters in Missouri - Includes Trophy Fees

Come join us in the beautiful woodlands of Missouri on this 8-day/8-night 2x1 free-range whitetail deer & pheasant hunt combo for two hunters - includes trophy fees for 1x whitetail buck and 1x whitetail doe to be shared by hunters and 5x pheasant/hunter/day. Method of take is bow, crossbow, muzzle loader or shotgun. This fair chase hunt is available December-January 2025 or 2026 and may be upgraded to include a pheasant tower shoot and additional pheasants at current price list and archery hunting a 2nd whitetail buck at \$2,000 with additional tag fee. Additional hunters are welcome at \$5,000; non-hunters are welcome at \$1,000. The first five days will take place in central Missouri while hunting for a classic Midwest whitetail buck from tree stands and ground blinds in hardwood forests, along woodland creeks, field edges and over food plots. Average trophy sizes range from 125-150, with a few 160-180 Missouri bruisers being harvested each year. This is a wild and entirely free-ranging hunt that takes place on multiple private land parcels scattered over 4 counties, public lands, and leased grounds. We are the only licensed outfitting guide hunting the pristine Mark Twain National Forest of Missouri on a special use permit. For the final 3 days, we will travel to our northern Missouri lodge and begin a true gentleman's pheasant hunt. After a hearty breakfast in the mornings, we will head out to upland hunt the beautiful fields and crevasses for your daily limit of pheasants - up to 5 pheasants/day/hunter are the limit with up to 2 of those being wild pheasants. After a full day of hunting, return to the beautiful lodge and enjoy chef-prepared meals while recounting all of your hunting tails and adventures of the day. This package includes field prep, RT transfers from Columbia Regional Airport to camp, lodge accommodations, beverages, full bar and all meals. Not included are meat processing, packing/shipping of meat/trophy, muzzle loader & archery tag at \$277/each/hunter, small game pheasant tag at \$14.50/day/hunter, federal land use fee at \$100/hunter, gun rental at \$250/hunter and gratuities. **Drake Dawson, 573-544-2041, 2415 Cedar Lake Drive, New Bloomfield, MO 65063, safariunlimitedllc@gmail.com, SafariUnlimitedWorldwide.Com.**

THU-33 SANNETTE BOSHOFF ART

"DIDA" - Original Mixed Media Painting on Canvas by Wildlife Artist Sannette Boshoff

"DIDA" - Original mixed media painting on canvas by wildlife artist Sannette Boshoff. DIDA (or "Gift of God") was a truly special African elephant cow known for its gigantic tusks and the longest ever recorded for a female. The painting is 40"x40" on cotton canvas, mixed media of acrylic texture paste, wound dressing, paper towels and acrylic ink. Per Boshoff - "Male elephants are always admired and revered for their large tusks, while the females are often overlooked and receive little or no recognition. DIDA epitomizes not only the female of the species, but women in general. Their resilience and ability to overcome adversity and to take care of their family is admirable"...which is where the artist's reverence for DIDA originated. **Sanette Boshoff.**

THU-37 RIVER PLATE ANGLERS

4 1/2-Day Peacock Bass Fishing Trip for Two Anglers in Manaus, Brazil

4 1/2-day 2x1 Peacock bass fishing trip for two anglers in Brazil aboard River Plate Outfitter's 'Fly-In Floating Cabins'. These unique floating suites are the ultimate solution for optimizing shallow drafting mobility, while allowing anglers to fish the wild and exotic Amazon River in style, comfort and luxury. Undependable water levels and over-fishing are chronic problems for fixed-base operations. These land-locked lodges are unable to move far enough away from their central location to seek out optimal water levels or to reach unfished waters. However, River Plate's "River Train" of floating suites can move on a daily basis to access unfished river segments and stay overnight along Caribbean-like white sand beaches. This trip is available November 2025-February 2026 or during the same period the following year and may be upgraded to include additional anglers at \$5,490. Package includes guide service, RT transfers between Manaus and camp, double occupancy ensuite accommodations, meals, full bar, daily laundry/maid service, fishing licenses, local transfers and arrival night hotel accommodations. Not included are international airfare, Brazilian visas, gratuities, food/beverage in Manaus, any transfers or hotel accommodations outside of the group's travel, airport departure tax and satellite phone calls. **DALLAS SAFARI CLUB THANKS RIVER PLATE ANGLERS FOR THIS 100% DONATION.** Nicolas Platero, 011 5493518176820, Evangelio Bonilla 6553, Montevideo 11500, URUGUAY, nicolas@riverplateoutfitters.com, RiverPlateOutfitters.Com.

LL-14 ORIGINAL WILDLIFE ART BY ILSE

"Giraffe Trio" - Original Framed Painting on Canvas by Wildlife Artist ILSE de Villiers

"Giraffe Trio" - Original framed artwork on canvas by wildlife artist ILSE de Villiers, measures 27x27". ILSE - "During a visit to Kruger National Park in 2022, my husband and I observed a beautiful group of five young giraffes close to the road. After curiously observing us, they commenced into gentle neck swaying, common practice among males to determine dominance in the group. Full-grown males, for example, will go all out whipping their necks around and use their heavy skulls as a club of sorts to 'beat' at their opponent. The longer and thicker the neck, the more likely a male is to win a fight. But for this adolescent group, their interaction was much more playful at 'practicing their swinging' as they watched us every now and again."

LL RAFFLE-4 BAKCOU

Bakcou Grizzly Electronic Scooter

The first of its kind, the Bakcou Grizzly is a rugged, full-suspension eScooter built for rocky roads and tumultuous terrain. The grizzly bear is at the top of the food chain, and the Bakcou Grizzly is similar at the top of the eScooter category. Whether hitting the trails, heading out for a hunt in the backcountry, or just having fun on the road, the Grizzly features best-in-class quality and design that you can't find anywhere else in a scooter. The 1000W Bafang hub motor on the Grizzly allows riders to make their way through the backcountry with ease. The ultra-quiet riding of the Grizzly makes it the perfect choice for a smooth, stealthy stalk in the mountains. Featuring a 48V 21Ah Lithium-ion battery, the Grizzly has a potential range of 20+ miles to get you where you want to go. Built with a heavy-duty full-suspension frame and all-terrain fat tires, the Grizzly has the strength required to handle the power it possesses. "In some situations, an eScooter would be better suited for specific rides or needs. This is where the Grizzly shines, with the ability to navigate rough terrain and the durability to withstand conditions that far exceed the capabilities of a traditional scooter," states Bakcou co-founder Bryan Child. The Grizzly is the perfect addition to Bakcou's fleet of outdoor recreational vehicles. Uses of this full-suspension electric scooter include trail riding, hunting, fishing, farm chores and commuting. **DALLAS SAFARI CLUB THANKS BAKCOU FOR THIS 100% DONATION.** Teri Child, 844-227-1096, 801-628-9206, 2840 Wadman Drive, Ogden, UT 84401, teri@bakcou.com, Bakcou.Com.

LLSIL-136 SILENCER CENTRAL

Silencer Central Banish 46 and 22 Suppressors

Silencer Central Banish 46 and 22 suppressors. Is bigger better? For some of us, it sure can be, especially when it comes to calibers. For those who like the added thump of a bigger bullet, we designed the BANISH 46. The 46 is a modular silencer designed for use with bigger caliber firearms like the .338 Lapua and the classic .45-70 Government, for those who like a suppressed lever rifle.

It is also terrific for pistol cartridges like 10mm and .45ACP, and .44 magnum in lever rifles. It has best-in-class noise reduction – up to 34 decibels and more. The BANISH 46 is made of titanium and Inconel and provides the ultimate combination of durability and weight reduction. The 46 is one of our most popular suppressors and should be in every shooter's collection. The BANISH 22 is our ultimate .22 caliber suppressor. We designed it for use with rimfire pistols and rifles chambered in .22 caliber and smaller - and this includes .22 Hornet, .17HMR and the 5.7x28, a cartridge that is gaining in popularity in pistols. The BANISH 22 uses 1/2x28 threads for direct and weighs just 4.1 ounces. This suppressor has a one-inch diameter and is just 5-3/8 inches long. You will hardly notice that the BANISH 22 is on the end of your gun thanks to the weight and the noise reduction that keeps the sound levels around 120 decibels. NFA gun trust documentation and NFA tax stamps.

Fingerprints, passport photo and paperwork will all be managed during the 2025 Convention. **DALLAS SAFARI CLUB THANKS SILENCER CENTRAL FOR THIS 100% DONATION.** Karter Keefer, 605-705-3358, 712-574-6085 (c), 4901 N 4th Ave., Sioux Falls, SD 57104, karter.keefe@silencercentral.com, SilencerCentral.Com.

LLSIL-144 FRIEND OF DSC

"The Death of the Kalahari" - Original Framed Oil Painting by Natasha Bryan

"The Death of the Kalahari" - Original oil painting by wildlife artist Natasha "Nata" Bryan, measures 32.5"x26.5" framed. Nata draws inspiration for her work in nature. A master of watercolor, oil, pastel and other painting techniques, Nata has always been fascinated by the natural world and she loves the challenge of capturing its beauty. Nata has also cultivated an interest in the fascinating world of animals and nature during her travels to various exotic corners of the world, such as South Africa and the Caribbean. "The Death of the Kalahari" painting recounts the African leopard hunting expeditions with her husband, Jason Bryan, filled with 'wild adventure, cool, daring and narrow escapes from death'. A work of sport and travel, this piece describes Nata's journeys through the Kalahari Desert and Botswana exploring the lands of the Gaborone and Zambia region where she captured sketches of hippopotamus, lion, eland, leopard, rhinoceros, buffalo, kudu and giraffe. **DALLAS SAFARI CLUB THANKS FRIEND OF DSC FOR THIS 100% DONATION.** Christie Selle, christie@biggame.org.

Rowland Ward's Records of Big Game, 30th Edition

For more than 2-1/2 years, the production team at Rowland Ward has been hard at work preparing the 30th edition of its iconic Records of Big Game. In order to create an "entirely new" record book on African game animals, we have made the book "user friendly" by completely reorganizing the layout according to traditional methods used by naturalists and hunters, as well as by biological kinship and have created 83 new maps featuring over 200 varieties of African game animals that illustrate accurate, current game distributions in great detail. This new edition also includes 14 new world records for zebra, duiker, Damara dik-dik, Bates pygmy antelope, Harar dik-dik, common nyala, common waterbuck, Cape eland, Shoan bushbuck, blue wildebeest, island sitatunga, water chevrotain, brown hyena, mountain nyala and southern impala. In addition, there is a new No. 3 Nile buffalo, as well as dozens of new top-ten heads. You'll also find several new elephant entries with tusks in excess of 130 pounds per side, although not taken in recent times, they had never previously been recorded. **DALLAS SAFARI CLUB THANKS ROWLAND WARD / SPORTS AFIELD FOR THIS 100% DONATION.** Mai Sample, 714-894-9557, 15621 Chemical Ln., Ste. FRI-13 PAT PAULEY WILDLIFE ART***"Untamed Spirit" - Original Oil on Canvas
by Renowned Wildlife Artist Pat Pauley***

"Untamed Spirit" - Original oil on canvas by renowned wildlife artist Pat Pauley, measures 30"x40" framed. A majestic white-tailed buck stands poised in a tranquil, late autumn forest. The deer, with its powerful yet graceful build, displays an impressive rack of antlers, each beam a testament to its maturity and strength. The surrounding woods are bathed in a misty, ethereal light, with bare trees and fallen leaves creating a serene, almost haunting backdrop. The rich browns and subtle grays of the deer's coat blend seamlessly with the earthy tones of the forest floor, while the crisp white of its tail and underbelly provides a striking contrast. This scene captures a moment of quiet vigilance, as the buck surveys its domain, embodying the wild beauty and "Untamed Spirit" of the natural world. **Pat Pauley, 402-312-3031, 16751 Read Road, Honey Creek, IA 51542, pat@patpauleyart.com, PatPauleyArt.Com.**

FRI-21 STEPHAN ALSAC FINE ART**"Blaze of the Herd" - Original Oil on Canvas by International Wildlife Artist Stephan Alsac**

"Blaze of the Herd" - Original oil on canvas by international wildlife artist Stephen Alsac, measures 36"x20". Stephan Alsac is a self-taught French artist having acquired amazing techniques by taking inspiration from the great French portrait painters. Alsac travels regularly to the heart of Africa and reproduces what moves him back in his own studio: an oryx fight, a lioness on the hunt, hyenas on the lookout, a leopard in his tree. His brush strokes are delicate and the details so polished, you could count the hairs of the fur. But it is usually the eyes of the animal that fascinate the viewer. A wild gaze that Stephan aptly depicts with precision and a genuine dose of emotion.

FRI-23 KOS SAFARIS UGANDA / JOHN RIGBY & CO.

Limited Edition Rigby Rifle, 7-day Ugandan Safari and Historic Kob Reintroduction Opportunity

London gunmaker John Rigby & Co. in partnership with their Houston based dealer, Gordy & Sons, and through collaboration with Karimojong Overland Safaris (KOS) and DSC, together have all collectively created a remarkable auction lot which is a truly unique opportunity to own a piece of history, leave a conservation legacy and have a once in a lifetime 'money can't buy' experience in Uganda. The winning bidder and one non-hunting companion will join John Rigby & Co. and KOS Safaris Uganda in supporting this unprecedented conservation collaboration, reintroducing Ugandan Kob to historic Karamoja. This outstanding package includes a limited-edition John Rigby & Co. WDM Bell .275 Rigby magazine rifle, other Rigby gear detailed below and a 7-day safari in Uganda to observe the newly released Kob and hunt other plains game species with their own Rigby Bell rifle.

1) WDM BELL .275 RIGBY MAGAZINE RIFLE: Paying homage to iconic British adventurer 'Karamoja' Bell, John Rigby & Co. has donated a limited edition 'W.D.M. Bell' model of their Highland Stalker rifle. The iconic African big game hunter is celebrated worldwide as an advocate for accurate shot placement using smaller caliber rifles, namely with his Rigby Mauser 7x57 (.275 Rigby). Based on the original 1928 Rigby rifle design as taken from the historic ledgers at Rigby, on the magazine floor plate is the engraving of 'W.D.M.B.', as per Bell's original rifle. Plus, the rifle has a Rigby spoon bolt handle and Mauser flag safety as ordered specifically to Bell's specifications. Similarly, the rifle features a Mauser 98 action, as well as an ivory front fore sight and custom design rear half-moon sight, regulated at 100, 300 and 400 yards, as per the original rifle. Presented in a vintage style canvas case, the rifle comes with a limited-edition print of the Rigby ledger book where Bell's legendary original rifle is listed, a Rigby knife and a copy of new previously unpublished stories by Bell, 'Incidents from an Elephant Hunter's Diary', signed by all the Rigby gunmakers involved in production of this rifle.

2) CONSERVATION LEGACY, KOB REINTRODUCTION PROJECT: By kind agreement with DSC and fully supported by John Rigby & Co, Gordy & Son's and KOS Safaris, the proceeds of this auction will go directly to cover the cost of the reintroduction of Ugandan Kob into the Karamoja landscape, a species present during Bell's storied time there that was lost to habitat encroachment and poaching pressure during the 1960s. Tonight's winning bidder can take great pride knowing their generosity this evening directly impacts the success of this noble cause and, as such, will carry their name (i.e. JOHN SMITH KOB REINTRODUCTION) in perpetuity. This unique lot not only is a chance to own a historic Rigby rifle of heirloom quality but offers the rare opportunity to leave a very personal lasting conservation legacy, while living a legitimate once-in-a-lifetime experience in Uganda. The winner of the auction (and one non-hunting companion) will have the chance to travel to Uganda with their new .275 Rigby Bell rifle and hunt some of the sustainably managed plains game the same way Bell did with a rifle matching his very same specification. Wilt at camp, winner and guest will also have the opportunity to observe the newly introduced Kob benefiting from this auction.

HUNT INCLUDES: 6-day plains game hunt in Karamoja for one hunter and one non-hunting guest, 1x1 guiding, trophy fees for Defassa waterbuck, Sudan oribi and Jackson's hartebeest, field prep, dip & pack service, hunting/export permits, all meals, alcoholic beverages and permanent tented camp accommodations with en-suite bathrooms. Available between January and May 2026 or 2027. See donor at Booth #1217 for costs to add days, hunters and non-hunters. Transportation is mostly by vehicle and foot with hunting done by spot & stalk.

HUNT EXCLUDES: Trophy shipping, international flights to/from Entebbe, Uganda, charter flights from Entebbe to Karamoja at +/- \$4,000 return if selected over drive in/out, extra nights accommodation in Entebbe as needed, before/after hunt expenses, trophy fees for additional game taken/lost/wounded, alcoholic beverages, personal expenditures and gratuities.

GENERAL ITENERARY: Arrival: Fly to Uganda, arrive Entebbe, meet-and-greet and transfer to hotel, if necessary, for overnight stay; Day 1-2: Charter to Karamoja; Day 3-8: Observe reintroduced Kob in Karamoja and hunt plains game; Day 8-9: Charter to Entebbe; Day 9-10: Fly home. **KOS SAFARIS UGANDA: Ade Langley, 011 256 070 098 9257, 17 Bluebell Meadow, Wokingham, Berkshire RG415UW, UNITED KINGDOM, adehunts@gmail.com; UgandaProHunts.Com. FRI-26 BRILLIANT STARS

Exotic Color Sapphire and Diamond Ring Set in 18K Rose Gold

This exotic sapphire and diamond ring set in 18k rose gold with a swirl design holds an extremely rare and unique natural sapphire, which Brilliant Stars unearthed in a remote mine in Tanzania. The breathtaking sapphire is 3.35 carats and exhibits shifting earth tone colors of coffee and khaki, with flashes of pink and yellow. Diamonds are 0.30 ctw. Truly mesmerizing! It is accompanied by a GIA report confirming the sapphire is completely natural, free of any treatments and originates from Tanzania. The quality of hand-crafted jewels offered by Brilliant Stars are a rare art. Even with years of experience, only the most masterful of craftsmen have the "eye" to evaluate and execute original designs that bring out the natural beauty of each gemstone. Most other jewelry manufacturing has moved to high volume, bulk manufacturers in Asia. Brilliant Stars has resisted this trend with jewels made one-by-one and with the greatest attention to every small detail.

This aspect, in and of itself, sets Brilliant Stars apart. **DALLAS SAFARI CLUB THANKS BRILLIANT STARS FOR THIS 100% DONATION.**

CCB-13 LOCHOW RANCH POND & LAKE MANAGEMENT

4,000 Pure Florida Strain Largemouth Bass Fingerlings

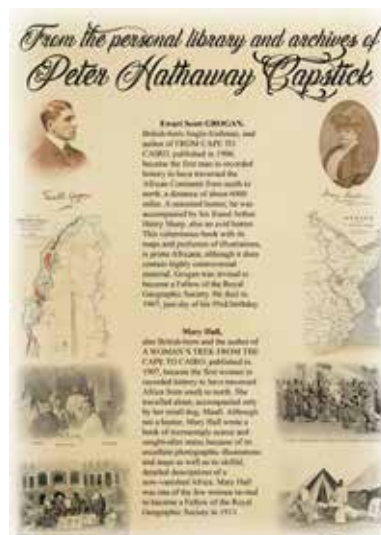

4,000 pure Florida strain largemouth bass fingerlings. Largemouth bass are the most sought after recreational sport fish in the southeastern United States and often the focal species in private lake management. There are many aspects of a fishery that help promote the development of trophy bass: water quality, habitat, abundance/diversity of forage fish and bass genetics. Not all these factors are controllable, so focusing efforts on what can be manipulated (such as bass genetics) will provide the best opportunity for your fishery to be elite. In Texas, both northern and Florida strain largemouth bass are found in private lakes with hybrid of the two being the norm. As a rule, Florida bass will grow more quickly and will attain a much larger maximum size than their native counterparts. With proper management and input, 100% pure Florida strain largemouth bass are expected to grow up to four pounds in one year and reach ten pounds in as little as three years from the date of stocking. NOTE: Available to Texas, Louisiana, Georgia, Arkansas, Oklahoma and Alabama customers only late spring 2025. **DALLAS SAFARI CLUB THANKS LOCHOW RANCH POND & LAKE MANAGEMENT FOR THIS 100% DONATION.** Cash Conrad, 979-703-7988, 979-587-5289, PO Box 5130, Bryan, TX 77805, wconrad@lochowranch.com, LochowRanch.Com.

CCB-14 FIONA CAPSTICK

Rare African Maps and Books from the Personal Library of Peter Capstick

Ewart Scott GROGAN, author of *FROM CAPE TO CAIRO*, published in 1900, and Mary HALL, author of *A WOMAN'S TREK FROM THE CAPE TO CAIRO*, published in 1907, became the first man and woman, respectively, in recorded history to have traveled overland from Cape Town to Cairo, a distance of about 6 000 miles. These two books, which are in collectible condition and of significant provenance, are accompanied by two highly sought-after maps of the African Continent, both professionally encapsulated in beautiful matching frames. Together, they form part of pioneering African hunting and exploration literature, a literature dominated by the English language. Ewart GROGAN, an Anglo-Irishman born into a distinguished family in England in 1874, undertook his historic hunting and exploration safari in 1896 in order to win the approval of his future aristocratic father-in-law who insisted he first do something 'worthwhile' with his life before he could marry his daughter. GROGAN, a prolific hunter, wrote a book bursting with high adventure, near-death experiences, and excursions into hardly known cultures. His historic, successful journey resulted in fame, a personal audience with Queen Victoria... and marriage to the girl of his dreams. He became a founder of the British East African Protectorate - today's Kenya - where he was a feisty politician, bold entrepreneur, and the largest landowner. Grogan's increasingly scarce book, which is often highly controversial and provocative, is a key feature in any truly significant library of Africana devoted to African hunting and exploration. He was invited to become a Fellow of the Royal Geographic Society. This magnetic man died in Cape Town in 1967, just shy of his 93rd birthday, frail and alone. Mary HALL, born in England in 1857, became a world traveler who spent time in Australia, New Zealand, East Asia, the South Pacific, China, and Siberia. She is especially esteemed for her truly historic solo safari from the southern tip of Africa to Cairo in the extreme north of the continent. This intrepid woman set out alone in 1905, at the age of 48 and accompanied only by her small dog, Maafi, to traverse the African continent from the extreme south to the extreme north on foot, by rail and boat, in dugout canoes, in machilas and in rickshaws. Although a non-hunter, this remarkable woman brought alive a little-known world in all its wild beauty, assorted dangers, and diverse cultures of a now-vanished Africa through her elegant writing, her excellent photography, and important maps. This scarce book was part of an early force in helping women rediscover their strong independence through travel and, in so doing, to reconnect in numerous cases, with their hunting heritage. She was one of a minuscule group of women invited to become a Fellow of the Royal Geographic Society in 1913, just six years before her death in England at the age of just 62. **DSC FOUNDATION THANKS FIONA CAPSTICK FOR THIS 100% DONATION. CCB-25 DAWIE FOURIE ARTS

Original Acrylic Painting on Canvas by South Africa Artist Dawie Fourie

Original mixed media oil and acrylic on linen canvas by South Africa wildlife artist Dawie Fourie; measures 25"x33" stretched over a gallery wrapped framed. "Normally, I prefer narrative paintings where the animals are in a landscape and the landscape becomes part of the story as opposed to portraits. Although this piece was handled like a landscape using typical landscape techniques to give shape and form, I had no other excuse to paint this lion as a portrait if not for the eyes - I wanted to paint the eyes." - Dawie Fourie. A self-taught artist with an affinity for the South Africa veld and its wildlife since childhood, Fourie studied as a nature conservationist before starting a full-time career as an artist 28 years ago. Since, he's enjoyed 6 solo exhibitions, 30 group exhibitions and 6 private exhibitions throughout the USA, France, Dubai, Spain and Normandy. **DALLAS SAFARI CLUB THANKS DAWIE FOURIE ARTS FOR THIS 100% DONATION.** Dawie Fourie, 011 27 82 332 5641, PO Box 1010, Komatipoort, Mpumalanga 1340, SOUTH AFRICA, dawiefouriearts@gmail.com, SouthAfricanArtists.Com.

SAT-18 HEYM USA

2025 DSC Convention Rifle - Heym USA Big Five Buffalo Double Rifle in 450-400 NE

Commissioned exclusively for DSC's 2025 Convention & Sporting Expo, this one-of-a-kind side-by-side double rifle is chambered in the venerable 450-400 NE and represents the pinnacle of the gunmaker's craft. Made entirely in-house by HEYM in Germany, it is the third in a series of the finest rifles ever auctioned by DSC and embodies almost 160 years of HEYM's gun-making experience. The time-proven Anson & Deeley action is machined from a solid billet of steel and provides the ultimate in strength and reliability. The 26" Krupp steel barrels are drilled, hammer-forged and machined in-house to ensure 100% quality control. HEYM's regulation standard is the best in the industry - guaranteeing four shots under 2" at 50-meters with open sights. Standard features for the DSC 2025 rifle include: automatic ejectors, intercepting sears, articulated front trigger, and a non-automatic safety. Engraved entirely by hand, the gold inlaid buffalo on the bottom of the action is the focal point of the rifle and contrasts beautifully with the bone-and-charcoal case colors and matching exhibition-grade Turkish walnut stock. Fine English scroll and gold wire inlay complete the ensemble with accents on the action, barrel and grip cap. Chris Sells, 214-606-2566, 6923 Snider Plaza, Ste. C, Dallas, TX 75205, info@heymusa.com, HeymUSA.Com.

SAT-26 BANOVICH ART

"Leopard Moon" - Original Oil on Belgian Linen by International Wildlife Artist John Banovich

"Leopard Moon" - Original oil on Belgian linen by international wildlife artist John Banovich, measures 24"Hx30"W. "I vividly remember the thrill that rushed through me when I spotted a leopard so gracefully perched on a tree limb. Its commanding presence, adorned with those striking spots and piercing eyes, left me in awe. I observed in silence, mesmerized by the interplay of shadows and highlights created by the moonlight on its sleek fur. The silvery-blue light of the moon created a sense of magic and mystery in the air. The anticipation in the leopard's gaze hinted at its elusive prey, hidden somewhere in the shadows. As an artist, it is my mission to capture not just the physical appearance of wildlife but also their essence and the emotions they evoke. In "Leopard Moon", I sought to convey the elusive nature of this magnificent creature, its independence, and the sense of wonder it brings" - John Banovich. **Kimberly Fletcher, 307-200-1622, 2 Pine Creek Rd., Livingston, MT 59047, kimberly@johnbanovich.com, JohnBanovich.Com.**

SAT-33 CAPRINAE SAFARIS

3-Day/4-Night Sindh Ibex Hunt for One Hunter in Pakistan - Includes Trophy Fee

Caprinae Safaris invites one hunter for a 3-day/4-night 1x1 Sindh ibex rifle or bow hunt in southern Pakistan - includes trophy fee for ibex scoring up to 39". Method of take is rifle or bow. Just 3 hours north of Karachi, lies this beautifully diverse, game-rich region previously known as the hunting grounds for Maharajahs and Kings. With its rugged, snowy mountains topped with fluted icy pinnacles piercing the sky and windswept plains stretching for miles,

Pakistan is a land of contrasts. It offers some of Asia's most mind-bending geographical landscapes and a kaleidoscopic view of culture and ethnic structure. Here, hunters can expect ibex scoring 38-42" with 40" being the magic mark for this subspecies of ibex in this region and 48" being the largest ever collected. This free-range hunt is available December 2025-March 2026 and may be upgraded to include larger ibex over 39" at \$1,000 per inch or by adding Blanford, Afghan and Punjab ibex, all at current price list. Additional hunters are welcome at \$24,500; non-hunters are welcome at \$2,750. Transportation during the hunt is mostly by vehicle and foot with hunting done by spot & stalk. This package includes visa invitation, customs handling, hunting license, gun import permit, area fees, transfers to/from Islamabad/Karachi Airports, full board single occupancy accommodations with private bathrooms, hot showers and Wi-Fi near the hunting grounds, Caprinae PH/interpreter and local guides. Not included are international/domestic airfare, trophy shipment, before/after hunt accommodations, visa cost, personal expenditures and gratuities. Being a game-rich country, Pakistan has been revered by trophy hunters long before its separation from British India. Many British soldiers stationed here had the privilege of pursuing these elusive game animals back in colonial times and now it is your turn for a taste of the excitement they experienced.

Handcrafted Leather Express Rifle Case

Luxury handcrafted case made from the highest quality leather for an Express rifle and scope. Made in Spain with 100% top quality cowhide leather. Handle for easy carrying. Brass key locking system. Interior made of 100% wool felt. Fully customizable case. Our leathers are 100% top quality cowhide with vegetable tanning, which gives a natural look to the leather. On request, we offer the Rey Pavón Custom service, through which we can personalize this case by making it to measure and in the type of leather and felt you prefer. Please contact us if you have any questions in this regard. To keep your case always like new, we recommend cleaning it with a cloth to remove dust or dirt and then apply a light coat of grease or leather cream to remove the excess. Those who know Rey Pavón know that our brand was born out of love and passion. First, the love story between the two founders, Jose Antonio and Mayte, who rose as if it were a sign of destiny, around a leather bracelet. And then, Jose Antonio's passion for working with leather, making exclusive products that he created with his hands. Three decades later they are present in more than 20 countries and have accompanied their customers around the world with unique products that last in their lives. Now it is their children Jose Antonio and Teresa who join the project to address the challenges that the brand is taking on at an international, digital and strategic level. **Mayte Nieto Punzón, 011 34 92 547 5772, Ctra. TAG Safari 4-Piece Men's Outfit

TAG Safari's 4-piece men's safari outfit includes a trail shirt, six-pocket cargo pants, professional hunter shorts and safari jacket. These travel/hunting accessories will serve you on the ranch, an everyday casual shirt, or an outdoor shirt when hiking the veldt on your African journey. Shirt/jacket include chest pockets with button down flaps for easy carry of essential outdoor gear. Swiss tabs keep sleeves neatly rolled up in the midday sun. Double stitched throughout for durability, with generous sizing and back shoulder tucks for freedom of movement. The safari shorts and pant offer generous storage pockets and a roomy fit for your comfort when traveling to the African continent. Two buttoned flap covered pockets in the front, two in back, and two hip mounted side entry pockets, securely hold all your essential hunting gear. Expandable panels and generous sizing allow for flexibility and freedom of movement when tracking game or just exploring in the field. Large belt loops accommodate wide or heavy belts. All TAG products are made from pre-washed, pigment dyed 100% cotton fabrics and are machine washable. Made in Africa..."Helping Africa through trade, not aid". **DALLAS SAFARI CLUB THANKS TAG SAFARI FOR THIS 100% DONATION.** Joe Devitto, 517-347-8733, 1800 W. SIL-456 ROSSLYN SAFARIS

14-Day/14-Night Leopard Research Program for Two in Zimbabwe

Rosslyn Safaris is pleased to donate this 14-day/14-night unique volunteer opportunity for two people to be part of their on-going leopard research program on their 32,000-acre wildlife ranch near Bulawayo, Zimbabwe. This opportunity is available in 2025 only. Additional guests are welcome at \$2,300. Participants will track and monitor individual leopards daily, capturing data using current conservation technology to build a picture of population structure, density and movements, as well as assessing the impact of neighboring human population pressure on leopards. This will involve putting out trail cameras, downloading footage using conservation programs to sort and collate data, and tracking leopards on foot trying to map movements. The overall findings of this research will feed into the national understanding of leopard populations. There will be plenty of opportunities to be involved in other aspects of wildlife habitat management, as well as engaging with the local schools and villages

about leopards and their ecological significance. In addition, each participant will have the chance to hunt one zebra. This package includes field prep, transportation to shipper, RT transportation from Bulawayo Airport to camp, safari style tent accommodations with ensuite bath and swimming pool, maid/laundry service, Wi-Fi, all meals and appropriate hunting equipment. Not included are dip & pack service, exporting of skins to home country, soft drinks/alcohol and taxidermy. **DALLAS SAFARI CLUB THANKS ROSSLYN SAFARIS FOR THIS 100% DONATION.** Juliet Johnstone, 011 0778486493, 76A Leander Ave, Hillside, Bulawayo 0000, ZIMBABWE, juliet@rosslynsafaris.com, RosslynSafaris.Com.

SIL-502 VANTAGE POINT ARCHERY, LLC

VPA Omega Broadheads with Bleeders in 150 Grain Right Bevel (2 Packs)

Say hello to the new VPA Omega Broadhead! A solid, one-piece, precision-machined, American-made broadhead that combines all the desirable features of a single bevel head with the strength of double bevel head. And the greatest feature of all is its patent-pending LAYFLAT™ sharpening technology, making it the easiest two-blade ever to sharpen. The smoothly integrated ferrule forms a wedge from tip to tail, designed to hold the wound channel open allowing the arrow shaft to pass through without interference. The sharp Tanto tip cuts on contact, time-tested for penetrating meat and bone. Directly following the tip is a massive asymmetric blade section that uniquely combines the bone splitting action

of a single bevel broadhead with the inherent toughness of a double bevel broadhead. Machined from S7 tool steel and hardened to 56-58 Rockwell, the VPA Omega is manufactured from a premium material that improves durability, dependability and edge retention. **DALLAS SAFARI CLUB THANKS VANTAGE POINT ARCHERY, LLC FOR THIS 100% DONATION.** Alex Christianson, 260-258-5194, 260-478-8722, 3834 Vanguard Drive, Fort Wayne, IN 46809, alex@vparchery.com; info@vparchery.com, VPArchery.Com.

SIL-507 RICK YOUNG OUTDOORS LLC

RYO Steady Stix and RYO Ultra-Light Binocular Harnesses (3x)

RYO Steady Stix and RYO Ultra-Light Binocular Harnesses (3x). RYO Steady Stix are designed with a proprietary formula that's stronger in stretch than anything else on the market. Steady Stix features 7075 aluminum tubes, giving them the best performance possible with flex and strength, heavy wall tubing with an enlarged 9.5 mm O.D. providing the perfect storm of strength and feather weight, rubber bumpers at each joint to muffle the deployment and hinge system designed to hold the spread of the stix in the open position. But the greatest feature is the patented head platform which allows shooters to glass for hours at a sitting position without any arm or shoulder fatigue. This creates a solid viewing image that's crystal clear to your eyes, even a lesser quality pair of binos will be improved by this method of glassing. With a simple adjustment, the heads quickly open-up a shooting lane for your rifle to rest on...Steady Stix truly are rebuilt from the ground up. There are several suspension systems on the market today for binoculars and range finders, but none like RYO Ultra-Light Binocular Harnesses. Harness features a shock cord does not get soft or lose its elastic strength. Instead, it grips and transfers the weight equally around your shoulder and chest without digging into your skin or body. Unlike wide flat strap harnesses, RYO's round cord will not vibrate or flutter in the wind. Countless years of field testing and thousands of happy customers, it's safe to say that RYO bino harnesses are the best on the market. **DALLAS SAFARI CLUB THANKS RICK YOUNG OUTDOORS LLC FOR THIS 100% DONATION.** Rick Young, 503-702-5960, 11101 SE 362nd, Boring, OR 97009, rick@rickyoungoutdoors.com, RickYoungOutdoors.Com.

SIL-509 ROWLAND WARD / SPORTS AFIELD

CIC Caprinae Atlas of the World (2-Volume Set)

This detailed and meticulously researched CIC Caprinae Atlas of the World presents an overview on the distribution ranges of wild Caprinae phenotypes in the northern hemisphere, their physical appearance, life history, conservation status and sustainable use. The authors aim to stimulate the resourceful involvement of a wide variety of stakeholders: policy makers who create the administrative and legislative frameworks for Caprinae conservation; researchers and taxonomists who are at work to fill knowledge gaps; public, communal and private landowners on whose lands wild Caprinae dwell; management authorities who need to find holistic conservation solutions; hunters who are getting intense emotional rewards from pursuing wild sheep and goats and their relatives; and last but not least the women and men who follow the tracks of wild sheep and goats to admire and photograph them in their natural surroundings. This massive work is littered with excellent in the field color photos (not from zoos) and is a tribute to the magnificent animals these highest forms of mountain ungulates are. The work is meticulously researched, and a joy to behold, easily the best most comprehensive volumes on the subject ever. Every serious sheep, ibex and wild goat enthusiast, whether a hunter or not, should own a set. **DALLAS SAFARI CLUB THANKS ROWLAND WARD / SPORTS AFIELD FOR THIS 100% DONATION.** Mai Sample, 714-894-9557, 15621 Chemical Ln., Ste. SIL-521 FLINT & FLAME / RHINELAND CUTLERY PNW

Field Knife No.1 by World Renowned Hunter, Chef and Michelin Starred Restaurant Owner, Mike Robinson

The Field Knife No.1 (GP) is one of the first hunting knives designed for function and form by world renowned hunter, chef and Michelin starred restaurant owner, Mike Robinson. Mike's passion for ethical hunting and the well-being of the animal hunted are as important to him as the quality of the food they provide. So when it comes to the knife he chooses to use for his craft, it not only has to perform all the tasks asked of it to the highest of standards, but it must respect and honor the animal it's being used on. After much deliberation, Mike settled on Sandvik 12 C 27 steel for the blade because of its perfect balance of properties. Swedish steel is hard enough to hold a good edge but has sufficient carbon to resharpen easily. At 3mm thick, the blade is rigid and extremely strong. It is stainless enough to resist the corrosive elements of blood and puts up with going through the dishwasher repeatedly. The handle is made from G10, a woven fiberglass style compound that is resistant to almost everything you can throw at it. The shotgun style checkering and vertical grooves give amazing grip, even when skinning a fatty wild boar. The slim brass bolster is aesthetically pleasing and helps you locate the knife if laid down in the grass or on the ground. The signature cartridge in the butt is a British .303 by Hornady. This great

caliber is an important part of Mike's heritage and, of course, is a rimmed round so it grips the tab of the sheath to secure the knife. Field Knife No.1 (GP) by Mike Robinson was designed without compromise and brought to life by Flint & Flame's expert knife makers. The result is the ultimate knife that Mike firmly believes is the best hunting knife available on the market. **DALLAS SAFARI CLUB THANKS FLINT & FLAME / RHINELAND CUTLERY PNW FOR THIS 100% DONATION.** Steven Mould, 609-271-9948, 345 Stan Drive, Melbourne, FL 32904, steve@flintandflame.com, RhinelandCutlery.Com.

SIL-524 SILENCER CENTRAL

Silencer Central Banish 46 and 22 Suppressors

Silencer Central Banish 46 and 22 suppressors. Is bigger better? For some of us, it sure can be, especially when it comes to calibers. For those who like the added thump of a bigger bullet, we designed the BANISH 46. The 46 is a modular silencer designed for use with bigger caliber firearms like the .338 Lapua and the classic .45-70 Government, for those who like a suppressed lever rifle. It is also terrific for pistol cartridges like 10mm and .45ACP, and .44 magnum in lever rifles. It has best-in-class noise reduction – up to 34 decibels and more. The BANISH 46 is made of titanium and Inconel and provides the ultimate combination of durability and weight reduction. The 46 is one of our most popular suppressors and should be in every shooter's collection. The BANISH 22 is our ultimate .22-caliber suppressor. We designed it for use with rimfire pistols and rifles chambered in .22 caliber and smaller - and this includes .22 Hornet, .17HMR and the 5.7x28, a cartridge that is gaining in popularity in pistols. The BANISH 22 uses 1/2x28 threads for direct and weighs just 4.1 ounces. This suppressor has a one-inch diameter and is just 5-3/8 inches long. You will hardly notice that the BANISH 22 is on the end of your gun thanks to the weight and the noise reduction that keeps the sound levels around 120 decibels. NFA gun trust documentation and NFA tax stamps. Fingerprints, passport photo and paperwork will all be managed during the 2025 Convention.

1-Day/1-Night Continental Pheasant Hunt for Two Hunters in Rhode Island

1-day/1-night Continental pheasant hunt for two hunters at The Preserve Sporting Club in Rhode Island. Shooters of high birds know August 12th is the start of the British driven shooting season and the time of year when family and friends gather to celebrate a tradition of pheasant hunting that has endured the test of time. The Preserve Sporting Club welcomes the lucky winners to enjoy one of a series of Continental hunts that are reminiscent of the Edwardian period and the Golden Era of shooting. Break out your Plus 2's, flashings, and Wellingtons as multiple shooting dates are offered in several different styles. Begin your morning with a hearty breakfast at the Clubhouse featuring an omelet station, eggs served any way, applewood smoked bacon, waffles, coffee, tea and juice.

Your shoot orientation begins mid-morning, followed by the hunt of the day. The evening concludes with an exquisite dinner of filet and lobster, mini bison meatballs, roasted pheasant with endive and a Scotch and cigar pairing. This package also includes expert guides hunting over trained dogs, ammo, use of shotguns (or bring your own!), double occupancy accommodations at The Hilltop Lodge with stunning views of the 3,500-acre property and winners' choice of one of the following daily activities: sporting clays with instruction, signature massage in OH! Spa, fly fishing with instruction, or zip lining and rock climbing experience (weather dependent). This hunt is available on open dates in 2025 only and may be upgraded to include extra guests, days and other activities, all at current price list. NOTE: No cash value. Cannot be transferred. Must be scheduled in advance. "Autumn Challenge" - Original Oil Painting on Belgian Linen by Cory Carlson

"Autumn Challenge" - Original oil painting on Belgian linen by Cory Carlson, measures 30"x22" framed. Cory Carlson, "By traveling the world, capturing rare moments in wild places, I strive to infuse a sense of life into every painting, bringing you closer to nature's extraordinary beauty. Observing a magnificent bull elk moving through the rising mists of dawn is the inspiration for "Autumn Challenge." The majestic sound of a bugling elk heralds the start of a perfect day in the Rocky Mountain wilderness. Imagine the thrill of waking up to the echoing calls and the cool edge of autumn on the mountain air. I enjoy the challenge of painting this ethereal time of day when the earth and sky seem to blend in the soft misty light. I like the contrast of the boisterous bull elk emerging from the still early morning light." **Cory Carlson, 817-492-0915, 318-243-1014, 376 Shadow Rd., Ruston, LA 71270, carlsonfineart@gmail.com, CarlsonFineArtStudio.Com.**

Welcome to Italian craftsmanship, the Alder is part of our newest collection of casuals. A Chelsea boot built with the highest quality and longest lasting materials making this boot an everyday choice, with added pull tabs for convenience. Featuring a Vibram® Goteborg outsole, chosen for its high durability, cushion, and ability to handle cold weather with ease. The midsole is comprised of sheets of leather that are pressed together to create a footbed that will mold to your foot and get better with time. Premier Italian leather makes up the top portion of the boot, proving to be soft and flexible and yet durable. A glove leather lining aligns with your foot to provide great moisture and temperature management. Vibram® Goteborg outsole provides durability, cushion and traction in colder climates. Leather midsole and footbed molds to your foot over time. Italian leather upper makes this boot durable and flexible. **DALLAS SAFARI CLUB THANKS SCHNEE'S FOR THIS 100% DONATION.** Stacy Farmer, 406-579-6890, 6597 Falcon Lane, Bozeman, MT 59718, stacy@schnees.com, Schnees.Com.

BONUS RAFFLE

3-Day Whitetail Deer Hunt for One Hunter in Missouri, Mack Brothers EVO EXTREME 6mm Creedmoor Rifle, Swarovski Z8i 2-16x50 P Riflescope and Zeiss 10x40 SFL Binoculars

RECORD BREAKING RANCH invites one hunter on a 3-day/4-night 1x1 midwestern whitetail deer hunt in Missouri - includes whitetail scoring up to 260". Method of take is hunter's choice. This estate hunt is available August-December 2025 and may be upgraded to include elk, aoudad and exotics all at the current price list. Additional hunters are welcome at current rates; non-hunters are welcome at \$150/day. Transportation during the hunt is mostly by vehicle with hunting done by blinds. This package includes field prep, guide, dressing, caping, transportation to taxidermist, hunting license, private lodge accommodations, home-cooked meals, snacks and fully stocked beverage fridge. Not included are crating/packing and gratuities. Arrival/departure point is at the ranch near Fulton, Missouri. Nearest airports are St. Louis and Columbia, MO.

MACK BROTHERS adds an EVO EXTREME hunting rifle in 6mm Creedmoor, meticulously engineered as one of Mack Brothers lightest rifles to date. Built around the robust Mack Brothers EVO II Action in a short configuration with a standard bolt face, this rifle guarantees precision and reliability in every shot. Crafted from stainless steel, the heart of this rifle boasts durability and performance. The six carbon fiber barrel features a 1-7.5 ROT twist rate and a Sendero Contour measuring a compact 20" with a 5/8-24 TPI muzzle threading for versatility in muzzle devices. Enhancing both performance and shooter comfort, the Maraki Machine muzzle brake offers self-timing ease and is constructed from lightweight titanium. The McMillan Mountaineer stock ensures ergonomic excellence with a built-in bipod rail and Arca rail for seamless accessory integration. With two flush cups on the left side for sling attachment, a 13.5-inch length of pull (LOP), and a 1-inch recoil pad, the stock is designed for optimal stability and comfort in any shooting position. The Trigger Tech Primary Trigger provides a crisp, consistent pull, enhancing accuracy even under demanding conditions. For reliable feeding and quick reloads, the Mack Bros M5 detachable box magazine (DBM) with a Hawkins Hunter Magazine is employed, ensuring smooth operation and swift magazine changes in any environment. Finished in Cerakote AI FDE (Flat Dark Earth), the EVO EXTREME not only performs flawlessly but also boasts a striking appearance. Completing the aesthetic, the Mack Bros custom paint on the stock adds a personal touch, making each rifle as unique as its owner.

SWAROVSKI OPTIK continues this package with an illuminated Z8i 2-16x50 P riflescope that impresses with a 21 m (63 ft) field of view and details at up to 16x magnification during stalking, as well as hide and driven hunting. In addition, its high light transmission means that this rifle scope is best equipped for use in poor light conditions.

KENZIE'S OPTICS completes this amazing package with the ZEISS 10x40 SFL binoculars. The new Ultra-High-Definition (UHD) Concept ensures true-to-life color reproduction and the highest level of detail. Thanks to its SmartFocus Concept, the focus wheel is perfectly positioned and enables fast and precise focusing - even with gloves on. The optimized ergonomics and a large exit pupil allow for a relaxed and undisturbed viewing experience. The lens diameter has been reduced by 2 mm, making it possible to use thinner lens elements at closer spacing and thus reduce the binoculars' weight by up to 20% and their volume by up to 13%, making the SFL binoculars up to 30% lighter than comparable products from competitors. **DALLAS SAFARI CLUB THANKS RECORD BREAKING RANCH, MACK BROTHERS, SWAROVSKI OPTIK AND KENZIE'S OPTICS FOR THIS 100% DONATION.**

ULTIMATE RAFFLE-1 EUROOPTIC LTD

OPTICS PACKAGE: Leupold VX-5HD3-15x44 MOA Scope, Swarovski tM35 320x256 Thermal Imaging Device and Sig Sauer Range Finding Binocular

1) Leupold's Impact-29 MOA Reticle utilizes a system of precision dots within the reticle field to permit ranging, as well as correction for drop and wind deflection, without the use of the elevation and windage dials. This optic also features Leupold's CDS-ZL2 (Custom Dial System ZeroLock 2) which locks the dial in place to prevent it from being accidentally turned from zero. 2) With the Swarovski tM 35 thermal imaging clip-on device, you can own the night! Unlike night vision devices that require a level of ambient light, the tM 35 can operate in complete darkness as it detects heat signatures rather than light amplification. The tM 35 displays these heat signatures in 2 modes: white hot and black hot. White hot displays sources of heat as white over a predominantly black background white black hot displays sources of heat as black over a predominantly white background. 3) Upgrade your hunting setup with Sig Sauer's KIL010K-ABS

range finding binoculars! It features a maximum reflective range of 10,000 yards, and is outfitted with Applied Ballistics Elite onboard software as well as environmental sensors and a digital compass. The KIL010K-ABS is also equipped with Active Matrix Organic Light-Emitting Graphic Display which shows information such as distance to target, elevation holdover, wind hold, energy on target and velocity at target distance. **DALLAS SAFARI CLUB THANKS EUROOPTIC LTD FOR THIS 100% DONATION.** Seth Roy or Jeffery Brooks, 570-368-3920, 635 N. OFFICIAL AUCTION RULES

2025 DSC CONVENTION AUCTIONS & RAFFLES

PROCEDURES FOR THE LIVE AUCTIONS

When bidding from the floor, raise your hand, napkin, or, if necessary, stand to get the attention of the auctioneer or one of his staff. The auctioneer and his staff are responsible for the auction. Their rules must be followed explicitly. All decisions made by the auctioneer will be final. All high bidders will be responsible for payment according to the terms set forth herein. The auctioneer will resolve any disputes for bids placed during the live auctions. Unless otherwise noted, hunts and trips are for the 2025 season only. Special arrangements, other than set forth in the auction listing, are expressly between the donor and winning bidder. Some non-hunt donations may require delivery, shipping and/or installation at the winner's expense.

AUCTION RECOMMENDATIONS

1. Read the description of each item carefully from the auction list prior to the auction. The auctioneer will not read or review the full description for each item.
2. Ask questions ahead of time, talk to the donor, and visit the Professional Hunter Association booths located in GWCC. DSC STRONGLY encourages bidders to buy trips from donors who are members in good standing with their local, regional, or national professional hunting association.
3. Donated hunts/trips may require additional expenses not listed in the description including, but not limited to, travel to/from the destination, alcoholic beverages, trophy dipping/packaging/shipping, gratuities, gov't-imposed value added tax (VAT) and hotel/meals before/after the hunt.

PAYMENT TERMS

1. After a winner has been confirmed, a DSC "runner" will immediately deliver a buyer invoice to collect payment. The form must be completed in its entirety and signed.
2. Payment will be required immediately, unless prior arrangements have been made. Acceptable forms of payment are cash or credit card (MasterCard, Visa, Diners, Discover and American Express). Checks will be accepted only if prior arrangements have been made by DSC.
3. All bidders must be current from any previous year's auction.
4. Any variances from the payment guidelines stated above must be approved in writing by the DSC President or Chief Financial Officer.
5. DSC Foundation (DSCF) and DSC Frontline (FRONTLINE) will have separate credit card capabilities.

DISCLAIMER OF LIABILITY GOODS

All goods in live auctions, silent auctions and raffles have been acquired or obtained from third parties. The high bidder acknowledges that the goods have not been inspected by DSC, DSCF or FRONTLINE and is advised, in the case of firearms, knives, bullets or other outdoor gear, to secure a competent inspection and test of the goods before use. **GOODS ARE SOLD "AS IS" WITH ALL FAULTS AND DEFECTS, AND WITHOUT ANY EXPRESS OR IMPLIED WARRANTY ON THE PART OF DSC, DSCF AND FRONTLINE. DSC, DSCF AND FRONTLINE MAKE NO WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY, AND EXPRESSLY DISCLAIM THE SAME.** DSC, DSCF, FRONTLINE do not accept any responsibility or liability for any product, design, or use. Any written warranties with respect to the goods delivered to the purchaser are those solely of the manufacturer or their agents and shall be the sole liability and responsibility of the manufacturer. All firearms obtained for this event will be transferred in accordance with federal, state, and local regulations. **SERVICES:** All services (hunts or otherwise) in live auctions, silent auctions and raffles have been acquired from and are to be furnished by third parties and contain the same reservation set forth under "GOODS" above. **SERVICES ARE SOLD "AS IS" WITH ALL FAULTS AND DEFECTS, AND WITHOUT ANY EXPRESS OR IMPLIED WARRANTY ON THE PART OF DSC, DSCF AND FRONTLINE. DSC, DSCF AND FRONTLINE MAKE NO WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY, AND EXPRESSLY DISCLAIMS THE SAME.** No services are to be or will be performed by DSC, DSCF or FRONTLINE and neither entity shall bear no responsibility for the delivery or quality of any of the services or for any loss or damages arising from or related to or connected

with the performance or non-performance of such services. The high bidder further acknowledges that in the event services are purchased, DSC, DSCF and FRONTLINE cannot be responsible for or liable for any political unrest, pandemic, instability, travel restrictions, lockdowns and quarantine requirements that may occur inside or outside the confines of the United States, nor can DSC, DSCF or FRONTLINE be accountable for any injuries or damages that may arise there from. The high bidder further acknowledges that his/her purchase is final and non-refundable under any and all circumstances, and that should legal action be required to collect for the services acquired by the high bidder at the auction, DSC, DSCF and FRONTLINE shall be entitled to all reasonable attorney's fees, cost of court and interest as provided by law.

CHARITABLE DEDUCTION QUALIFICATIONS

- DSC is a 501(c)(4) non-profit organization and not listed as a charitable organization under the United States Internal Revenue Code. Therefore, in accordance with IRS regulations, no payments or donations made to DSC for auction items would be tax deductible.
- DSCF is a qualified charitable organization under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended. Donations to DSCF are deductible under Section 170(c) of the Internal Revenue Code. Consult your tax professional for deductibility of amounts paid for auction purchases.
- FRONTLINE is a qualified charitable organization under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended. Donations to FRONTLINE are deductible under Section 170(c) of the Internal Revenue Code. Consult your tax professional for deductibility of amounts paid for auction purchases.

AUCTION CREDIT POLICY FOR DSC, DSCF AND FRONTLINE

Disputes for auction items purchased during the DSC Convention, or at any other time, shall be submitted to the DSC Board in writing and shall detail the basis for the dispute and the grounds supporting a refund. The DSC Board may, in its sole and absolute discretion, approve an auction credit for the amount paid, deny relief, or, in extraordinary circumstances, approve a refund of the amount paid. Without limitation, credits or refunds will not be given if the auction winner is unable to utilize the purchased item in the time described in the auction description due to illness, work conflicts, personal or family conflicts or death(s), travel delays or cancellations or any other similar matters affecting the auction buyer that are outside of the control of DSC, DSCF or FRONTLINE. DSC, DSCF and FRONTLINE auction credit policy will not apply to any auction item for which the Donor and Buyer alter or vary the terms set forth for the item in the auction catalog or any other description of the auction item prepared and/or disseminated by DSC. If a refund or credit is approved by the DSC Board for any auction item, the proceeds of which are to be paid to or split with any third-party beneficiary, the refund or credit will not exceed the net amount allocable to DSC, DSCF or FRONTLINE for such item. All credit or refund decisions are within the sole discretion of the DSC Board and all Board decisions are final.

STATE AND/OR LOCAL SALES AND/OR USE TAX

- **LIVE & SILENT AUCTIONS:** The final sale price of all tangible items, destinations, trips, and vacations includes any applicable sales tax, which will be withheld from the proceeds and remitted by Dallas Safari Club on behalf of the purchaser. Sales tax is calculated according to state and local tax regulations. Because the sales price already includes such tax, no sales tax may be noted at checkout.
- **RAFFLES:** 8.9% Georgia State sales tax will be included in the price of each raffle ticket purchase and/or bundle.
