The Expo Group is passionate about reducing, reusing, and recycling materials and waste. There are several simple things you can do to help as well. Join us by implementing some basic habits to help us keep our beautiful planet green.

**YOUR
BOOTH**

- Order booth services online to reduce use of paper.
- Rent carpet directly from us to assure you are renting recycled/recyclable carpet.
- Ask about graphics and signs that can be made from recycled materials, are recyclable and consider using digital graphics.
- Consider our Perspective Rental Exhibits or modular Octonorm rental systems to assure your booth is recycled and reused.

**IN YOUR
BOOTH**

- Use QR Code(s) to send electronic literature to prospects or consider printing locally rather than shipping in paper.
- Make sure booth lighting uses LED bulbs for reduced energy consumption.
- Order giveaways responsibly to avoid plastic, toxic materials and useless products that will end up in the hotel room trash.

**SHIPPING
YOUR BOOTH**

- Make sure that possible recyclable or reusable items are not left behind after the show closes - clean your space before leaving.
- Ask about caravans and consolidated shipments going to another industry show to save on fuel emissions.
- Consider the use of shipping containers that are recyclable or reusable.

The Expo Group Joins the Pledge For A Net Zero Carbon Footprint

The Expo Group recently joined industry leaders including PCMA, ESCA and over 250 other partners to join The Pledge for a Net Zero Carbon Footprint Initiative. A wide-ranging network of global events industry players has united to fight climate change with the ultimate goal of eliminating the industry's greenhouse gas emissions by 2050. A broad collaboration, hosted by the Joint Meetings Industry Council (JMIC) with the support of the United Nations Framework Convention on Climate Change (UNFCCC), developed the pledge over several months.

- Collaborate with partners, suppliers, and customers to drive change across the value chain.
- Report on progress at a cadence of every two years.
- Joining an industry workstream group dedicated to defining industry best practices for conservation and reporting.

Today, The Expo Group has already implemented multiple initiatives to support reductions in greenhouse emissions including:

- Use digital graphics with zero footprint.
- Utilize reusable/sustainable materials.
- Streamline processes to minimize waste.
- Standardize furnishings and prices.
- Rent vs. purchase exhibits options.
- Controlled material handling.
- Reusable registrations kiosks.

Our Packaging Plans include:

- Minimize shipping where applicable.
- Rent vs. purchase options for carpet, furnishings and exhibits.
- GBAC cleaning materials.
- More efficient models resulting in less waste.

The Expo Group will continue to provide updates on our commitments to meet the industry pledge as we drive toward the NetZero Carbon Commitment.

Let's work together to minimize waste, recycle, reuse and strive to keep our planet healthy and green.

YOU ARE ENTERING A CONTRACT WHICH LIMITS YOUR POSSIBLE RECOVERY IN CASE OF LOSS OR DAMAGE

The terms and conditions set forth below become a part of the Contract between THE EXPO GROUP, LLC and You, the EXHIBITOR. EXHIBITOR is deemed to have accepted these terms and conditions when any of the following conditions are met:

- THE MATERIAL HANDLING SERVICE AGREEMENT IS SIGNED;
- EXHIBITOR'S MATERIALS ARE DELIVERED TO TEG'S WAREHOUSE OR TO A SHOW OR EXPOSITION-SITE FOR WHICH TEG IS THE OFFICIAL SHOW CONTRACTOR
- AN ORDER FOR LABOR, SERVICES AND/OR RENTAL EQUIPMENT IS PLACED BY EXHIBITOR WITH TEG THROUGH ANY ORDER AND COMMUNICATION CHANNEL, OR
- WORK IS PERFORMED ON BEHALF OF EXHIBITOR BY LABOR SECURED THROUGH TEG

1.1 DEFINITIONS. For purposes of the Contract, "TEG" means The Expo Group, LLC, d.b.a. The Expo Group, and their respective employees, directors, officers, agents, assigns, affiliated companies, and related entities including, but not limited, to any subcontractors TEG may appoint. The term "EXHIBITOR" means the Exhibitor, its employees, agents, representatives, and any Exhibitor Appointed Contractor ("EAC"). **Show or Event:** an organized marketplace within a venue where EXHIBITORS participant. **Show or Event Site:** The venue or place where an exposition or event takes place; **Cold Storage:** Holding of Goods in a climate controlled area; **Accessible Storage:** Holding of Goods in an area from which Goods may be removed during events; **Services:** Warehousing, transportation, drayage, un-supervised labor, supervised labor and/or related services; **Supervised Labor:** Union labor that is provided to a EXHIBITOR to install or dismantle a booth or exhibit space, and is supervised and/or directed by TEG; **Un-Supervised Labor:** Union labor that is provided to a EXHIBITOR to install or dismantle a booth or exhibit space and pursuant to EXHIBITOR's election is not supervised and/or directed by TEG. EXHIBITOR assumes the responsibility and any liability arising therefrom, for the work of union labor when EXHIBITOR elects to use un-supervised labor.

1.2 SCOPE. These Terms and Conditions shall be binding upon EXHIBITOR, TEG, and their respective Agents and representatives, including but not limited to Exhibitor contracted labor, THIRD PARTY, EAC's or Installation and Dismantle Companies, and any other party with an interest in the Goods. Each shall have the benefit of and be bound by all provisions stated herein, including but not limited to time limits and limitations of liability.

EXHIBITOR permits all contact information provided to TEG to be used by TEG and shared with other entities assisting in the production of the event in question. Email communications may include show information, promotional materials, advertising statements and other commercial notices. Permission may be revoked by the EXHIBITOR in writing. **EXHIBITOR hereby authorizes TEG as its Exhibitor Appointed Contractor to process and pay for those services on behalf of the EXHIBITOR as a third party.**

1.3 PAYMENT TERMS

1.3.a. Full Payments, including any applicable tax and fee, are due in advance or at show site prior to delivery of services or equipment to EXHIBITOR unless other credit arrangements have been made. All payments shall be in U.S. secured funds and all checks must be drawn on a U.S. Bank; MasterCard, VISA, American Express, credit cards, debit cards, ACH, Wire Transfer, provided there is sufficient customer credit in EXHIBITOR's form of payment to completely satisfy the amount owed by EXHIBITOR to TEG. If EXHIBITOR is exempt from payment of sales tax, TEG requires an exemption certificate for the State in which the services are to be used. Resale certificates are not valid unless EXHIBITOR is rebilling these charges to its customers. For International EXHIBITORS, TEG requires 100% prepayment of advance orders, and any order or services placed at show site must be paid at the show. All materials and equipment are on a rental basis for the duration of the show or event and remain the property of TEG except where specifically identified as a sale. In the case of bills submitted to parties other than the EXHIBITOR (i.e., Third Parties), such arrangements in no way release EXHIBITOR from any and all terms and conditions outlined herein.

1.3.b. THIRD PARTIES: EXHIBITOR is ultimately responsible for all charges incurred on its behalf. In the event that a THIRD PARTY agent orders on behalf of the EXHIBITOR and the named THIRD PARTY does not discharge payment of the invoice prior to the last scheduled show day, charges will revert back to the EXHIBITOR. All invoices are due and payable upon receipt, by either party.

1.3.c. TEG Reserves the right to adjust the price charged for any item in the event of a sudden and unexpected price increase. By way of example without limiting the foregoing, in the event fuel prices escalate in a rapid manner, the price of any individual item may be adjusted to reflect the impact of higher fuel prices. Additionally, TEG reserves the right to pass through to Exhibitor any incremental charges or fees levied by the facility, suppliers or other third parties.

1.3.d. Undersigned authorizer acknowledges and agrees that all applicable charges for services rendered to the EXHIBITOR will be applied to the credit card authorized on the account in the event other form of payment is not tendered prior to the close of the trade show. In no instance shall any Exhibitor be extended credit beyond 30 days after the close of the Show. If there are any outstanding balances owed by EXHIBITOR to TEG which have not been paid after 30 days following the close of the Show, then these unpaid balances shall bear interest at the rate of 1-1/2% per month (18% per annum), and future orders will be on a prepaid basis only. EXHIBITOR should be advised that routine audits of Exhibitor booths for service usage are conducted during the Event. Should the result of such an audit indicate that equipment or services is in fact being used that has not been paid for, the Exhibitor will be charged for the equipment or service at the applicable rate.

1.3.e. CANCELLATION: Unless otherwise noted on the specific service order form, Exhibitors who cancel up to ten (10) days prior to Exhibitor Move-in will NOT be assessed any cancellation fees. Cancellations received less than 10 days prior to Exhibitor Move-in or at show site, will incur a fee equal to 100% of the order amount unless otherwise noted on the specific service order form. If the Show or Event is canceled because of reasons beyond TEG'S control, EXHIBITOR remains responsible for all charges for services and equipment provided up to and including the date of cancellation. In either case, Shipments received at the Advance Warehouse will be assessed a charge of 50% of the applicable published Warehouse rate. TEG will not issue refunds to EXHIBITOR of any payments made before the date of cancellation. It is EXHIBITOR'S responsibility to advise the TEG Service Representative of problems with any orders, and to review the EXHIBITOR'S account summary for accuracy prior to the last scheduled day of the Show or Event.

1.3.f. CREDIT CARD: TEG is pleased to accept orders for services, with payment being made by a credit card. By paying for these services in advance, and adhering to the deadline date, you have taken advantage of the discount offered. If a payment is subsequently made by check with the intention of reversing the initial credit card payment CREDIT CARD REFUND PROCESSING CHARGE will be assessed for each subsequent transaction following the initial transaction. The fee to reverse the credit card payment and replace it with a check or an alternate credit card is 3% of the amount owed. Said CREDIT CARD PROCESSING CHARGE is applicable in the event of voluntary withdrawal and/or cancellation of service as outlined in conditions above.

1.3.g. REFUNDS: EXHIBITOR may opt to transfer order credits and payments at full value towards any service solution from The Expo Group on any future Event despite the Event or General Service Contractor in lieu of refund. Request for refund due to withdrawal is subject to Administrative and Credit Card Refund Processing charges. Any refund will be processed as part of TEG's show close process, within 21 days of the last show date. Prior to any refunds being paid to EXHIBITORS, these cancellation and/or postponement charges will be determined in good faith by TEG and withheld from any amounts previously paid by EXHIBITOR to TEG in proportion to receipts from all exhibitors with the excess being refunded. EXHIBITOR shall receive a full and complete refund of any overpayments following final show close audit. In the event of EXHIBITOR withdrawal or the Exposition or Event is cancelled or postponed, TEG reserves the right to charge for services rendered in preparation of the Event or Exposition, including all non-refundable Administrative Processing costs incurred by TEG, and applicable CREDIT CARD REFUND PROCESSING CHARGES.

1.3.g.i. Request for refund by different method than original payment must be submitted in writing by EXHIBITOR. Electronic request will only be considered when sent from an email address within the exhibiting company's domain and on company letterhead. The request must specifically address the reason for requesting the refund by check and full details for where the check is to be mailed.

1.3.g.ii. TEG will remit refunds to EXHIBITOR at the name and address on file. EXHIBITOR will receive a refund for any extra overpayment above and beyond the amount which EXHIBITOR owes to TEG. Also provided for the EXHIBITOR with the final refund shall be a final accounting showing the services or equipment ordered. EXHIBITOR reserves the right to access final accounting showing all services or equipment ordered on their behalf.

1.3.h. Any discrepancy in items ordered and items received or any complaint or question concerning services, etc., must be reported to the TEG Service Center at the show immediately upon noting same. Problems will be resolved and/or any valid adjustments in EXHIBITOR's account will be made at that time and approved by the TEG Project Manager, Sales or Director in charge. No credits shall be extended for any individual service (including material handling and labor services) in excess of 15% of the billings for that service. Credits and adjustments will not be made based on information received after the Show.

1.3.i. TEG reserves the right to discontinue one or all services or equipment delivery to EXHIBITOR for non-payment of one or more outstanding bills should such bill not be paid before the close of the first day of the Show. Payment for any one or more of the services rendered does not in any way release EXHIBITOR from payment of the other remaining services upon presentation of an invoice. Should it become necessary after all discrepancies are resolved to employ a collection agency, then EXHIBITOR agrees that all reasonable and customary collection fees shall be borne by EXHIBITOR.

1.4. **CHOICE OF LAW & VENUE.** Any dispute between TEG and EXHIBITOR shall be governed by the laws of the State of Texas (without regard to Texas' conflicts of laws principles). TEG SHALL NOT BE RESPONSIBLE FOR LOSS, THEFT, OR DISAPPEARANCE OF MATERIALS BEFORE THEY ARE PICKED UP FROM EXHIBITOR'S BOOTH OR FOR RELOADING AFTER THE SHOW. BILLS-OF-LADING COVERING OUTGOING SHIPMENTS, WHICH ARE FURNISHED TO TEG BY EXHIBITOR, WILL BE CHECKED AT THE TIME OF ACTUAL PICKUP FROM THE BOOTH AND CORRECTIONS MADE WHERE DISCREPANCIES OCCUR.

ANY CLAIMS FOR LOSS, INJURY OR DAMAGE MUST BE SUBMITTED TO TEG WITHIN THIRTY (30) DAYS OF THE CLOSE OF THE SHOW IN WHICH THE LOSS, INJURY OR DAMAGE OCCURRED, OR SUCH CLAIMS SHALL BE WAIVED. NOTE: For services such as electrical, plumbing, telephone, cleaning and material handling, no contractor other than the official contractor may be appointed. The exhibitor shall control/operate only the material and equipment that he/she owns and that is to be used only within the booth space. The Official Service Contractor will provide all usual trade show services, including labor. Labor supervision, however, may be provided by the exhibitor. - Provide sufficient labor to satisfy the requirements of exhibitors and for the show itself.
- See that the proper type and limit of insurance are in force.

- Agree to abide by all rules and regulations of the show and union rules and regulations.
- Wear identification badges at all times. Temporary labor badges will be provided. Badges will be issued only to representatives of approved EAC to supervise, install, dismantle, or maintain exhibits and exhibit-related equipment.

WHAT ARE FREIGHT SERVICES?

As the official Service Contractor, The Expo Group is the exclusive service provider for freight services. Material Handling is the unloading of your materials, up to 2.5 weeks of advance storage at the advance warehouse address, delivery to your booth, handling of empty containers to and from storage, and removal of your materials from your booth for reloading onto your outbound carrier. There are two options for shipping your freight - either to the advance warehouse or directly to the show site. It should not be confused with Shipping which is the cost to transport your exhibit material to and from the convention or event.

HOW DO I SHIP TO THE ADVANCE WAREHOUSE?

- We will begin to accept freight up to 2.5 weeks prior to show move-in.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date noted on the Quick Facts. Freight will be accepted after the deadline date, however additional charges will apply.
- The warehouse will receive shipments Monday through Friday, except holidays. Refer to the Quick Facts for warehouse hours. No appointment is necessary.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets/pads. Loose or pad-wrapped material must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- **All shipments must be accompanied by certified weight tickets. Shipments received without these certified scale tickets will be rejected by The Expo Group.**
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Warehouse freight is typically delivered to the booth prior to exhibitor set up.
- All shipments to the advance warehouse or show site must be marked PREPAID on your bill of lading. Any Collect shipments will be refused, and Exhibitor/EAC/Shipper shall be liable for any shipping charges or expenses related thereto.

HOW DO I SHIP DIRECT TO SHOW SITE?

- Freight will be accepted only during exhibitor move-in.
- Please refer to the Quick Facts for the specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- **Certified weight tickets must accompany all shipments.**
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.

WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?

- Collect shipments will be refused.
- Please mark all shipments PREPAID on your bill of lading.
- "Prepaid" designates that the transportation charges will be paid by the exhibitor or a third party.

HOW SHOULD I LABEL MY FREIGHT?

- The label should contain the exhibiting company name, booth number and the name of the event.
- Please see shipping labels in the service manual.
- The specific shipping address for either the warehouse or show site can be found on the Quick Facts.

HOW DO I ESTIMATE MY MATERIAL HANDLING CHARGES?

- Charges will be based on the weight of your shipment. Each shipment received is billed individually. All shipments are subject to reweigh.
- Locate the rate that applies to your shipment(s) on the Material Handling Form then multiply the rate by the weight of your shipment in pounds.
- The above services, whether used completely or in part, are offered as a package and the charges will be based on the total inbound weight of the shipment.

Gaylord Texan Resort
Grapevine, TX

WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- Pick up "Empty Labels" at The Expo Group's on-site Service Center.
- Once your container is completely empty and no longer needed, complete the labels and place them on each container. Our team will collect labeled empty containers periodically to be placed in storage that is non-accessible during the show.
- At the close of the event, empty containers are returned to all booths in random order. Depending on the size of the event, this process may take several hours. The empties returns start after all aisle carpet is removed from the show floor.

ARE MY MATERIALS PROTECTED AFTER DELIVERY OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?

- Refer to The Expo Group's Terms & Conditions sections 1 and 2 for additional representation and warranties on your property in the segments shown below.
- Consistent with trade show industry practices, there may be a period between the delivery of your shipments to your booth space and your arrival. This also applies for the end of the show, during the move-out or outbound phase of the show — the time between your departure and the actual pick-up of your materials. During these times, your materials will be left unattended. We recommend you arrange either for a company representative to stay with your materials or to hire security services to safeguard your materials.

DO I NEED INSURANCE?

- Be sure your materials are insured from the time they leave your location until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by adding riders to your existing insurance policies.
- All materials handled by The Expo Group are subject to the Terms and Conditions, which can be found in the exhibitor service manual or online at cyberservices.theexpogroup.com.

HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

- An individual completed Material Handling Agreement (MHA) is required for each outbound shipment. Save time by completing the Outbound MHA in advance online, or visit The Expo Group's Service Center once you arrive on-site.
- If the shipping information is provided in advance, the MHA will be delivered to your booth on-site. Otherwise, the MHA and labels will be available for pick up at The Expo Group's on-site service center.
- After materials are packed, labeled, and ready to be shipped, the completed MHA must be delivered to The Expo Group's onsite service center.
- Please note, it is the exhibitors responsibility to take their outbound small package shipments (FedEx, Ups, etc.) to the local business center.
- A minimum charge of one ½ hour TEG supervised labor fee will apply for any shipments left in a booth space without a processed MHA.
- It is the exhibitor's responsibility to schedule pick up with their outbound carrier. Make sure to share the check-in deadline noted on the Quick Facts with the carrier. Please refer to the Quick Facts for specific dates, times and address for pick up.
- In the event a scheduled carrier fails to pick up by the final move-out day, the shipment will be re-routed on The Expo Group's carrier of choice.
- For your convenience, approved show carriers will be on-site to assist you with arranging outbound transportation if arrangements were not made in advance.

WHERE DO I GET A FORKLIFT?

- Forklift service to assist in the install or dismantle of your exhibit components may be ordered in advance or on-site. For fast ordering go to www.theexpogroup.com, and click "Order Services", then "Lift Equipment and Labor". You may also contact us by email, Chat, text or by visiting The Expo Group's Service Center on-site. Refer to the Lift Equipment and Labor Form for available equipment.
- Orders for equipment & labor will be dispatched once the exhibitor signs the labor order at The Expo Group's Service Center.
- Start time is guaranteed only when equipment is requested for the start of the working day.

- What is Accessible Storage? An additional service for storing your exhibit materials that may need to be accessed during the event and that cannot be stored within the booth. This service is in addition to the material handling service and is limited to availability. **It is not storage to ensure expedited or priority empty return at the end of the show.**
- How much does the service cost? Accessible storage consists of a storage fee (*occupied space in storage trailer*), one-time fee to move into storage as well as another fee for returning to booth at close of show. Additionally, a labor fee applies each time materials are accessed during the show.
- Accessible Storage is not monitored, therefore not recommended for high value items.
- Please come to the Exhibitor Service Desk at show site for Accessible Storage stickers to place on your items.
- All materials remaining in accessible storage will be returned to the booth space at show close and billed at the prevailing labor rate.

To assist you in planning your participation in this convention, we're certain you will appreciate knowing in advance that Union labor may be required for certain aspects of your exhibit handling. To help you understand the jurisdiction the various unions have, we ask that you read the following.

**Exhibit
Installation
&
Dismantling**

Currently, we have an agreement with the local Union to provide labor for display installation and dismantling. Full time employees of the exhibiting companies, however, may set their own exhibits without assistance from this Local. Any labor services that may be required beyond what your regular full time employees can provide must be rendered by the Union. Labor can be ordered in advance by returning the Labor Order Form, or at show site at the Service Desk. Proof of full time employment status may be requested by the Union Steward of any personnel working in your booth.

**Material
Handling**

Exhibitors may hand-carry their own materials into the exhibit facility or use two-wheeled and two-wheeled convertible to four-wheel dollies. The use or rental of flat trucks and other mechanical equipment, however, is not permitted. The Expo Group will control access to the loading docks in order to provide for a safe and orderly move-in/move-out. Only full time employees of the exhibiting company will be allowed to hand-carry items. Unloading or reloading at the dock of any and all contracted carriers will be handled by The Expo Group.

Tipping

The Expo Group requests that exhibitors do not tip our employees. They are paid at an excellent wage scale denoting a professional stature, and we feel that tipping is not necessary. This applies to all employees. Any request for such should be brought to the attention of a representative of The Expo Group at the Service Desk, or correspondence may be directed to the attention of the General Manager at our Irving address.

Safety

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. The Expo Group cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, please order labor on the Labor Order Form and the necessary ladders and/or tools will be provided.

NOTE:

- If you encounter any difficulty with any laborer, or if you are not satisfied with the work performed, please bring this to the attention of the Project Manager at The Expo Group. Please refrain from voicing complaints directly to craft personnel.
- The person in charge of your exhibit should carefully inspect and sign all work order forms. If there are any questions about any bills, bring the bill to the Service Center and discuss it with the person in charge.

- Booth labor is available to assist with unpacking, installation and dismantle of your booth and Packing your exhibit properties after the show.
- You may choose to supervise the labor on your own, or your exhibit can be set up prior to your arrival under The Expo Group (TEG) supervision.
- Rates listed below are per hour, whenever possible, all work will be performed on Straight Time (ST) hours.
- Orders received after the deadline date or received without payment will be billed at the standard rates.
